The Robeson County Amateur Radio Society, Inc., has been formed to be a non-profit, publicly funded corporation dedicated to the safety and welfare of the citizens, municipalities, and public service agencies of Robeson County in times of emergency, disaster, or other communications breakdown or overload.

To do this, the corporation will provide amateur radio communications systems to FCC-licensed members of the Amateur Radio Emergency Service; will provide training and drills for these operators in the used of the equipment; and will encourage and develop close cooperation between the Office of Emergency Management, the American Red Cross, and other public health and safety organizations of Robeson County.

Inasmuch as the purpose of the Robeson County Amateur Radio Society, Inc. is to be a publicly supported, non-profit organization, the general membership will pledge to support by word and deed the solicitation of funds and goods as is necessary for the support of its activities as delineated in the purpose stated at the beginning of this document. Such support will be agreed to by the payment of the annual dues.
